Welcome Back Year 7

Dear Parents/Carers,

I would like to wish you all a Happy New Year as we welcome our students back to Lacon for 2025. I hope that you have all had a wonderful Christmas break filled with relaxation and quality time with loved ones.

As we welcome the new term, I want to take a moment to express my gratitude for your continued support and partnership in your child's education. This includes your support with our uniform standards. If you are having any difficulties with uniform, please contact us as. We can support you and ensure that uniform is not a barrier to your child's learning. Your continued support is invaluable to us and is further demonstrated through our shared understanding of the importance of attendance, ensuring your child completes their homework, or supporting our pastoral team to allow your child to learn from any mistakes they may make.

The start of a new term is always an exciting time, we are eager to see our Year 7 students return with renewed energy and enthusiasm. Here at Lacon Childe, we are definitely more than just a school. We are ambitious for ourselves as individuals and of each other - both staff and students alike. Looking forward, during the spring term we will continue to embed this. This includes a fortnightly focus on key issues to reinforce our shared ethos and culture. Students will continue to participate in tutor time activities, regular assemblies, targeted house competitions and a comprehensive PSHE curriculum. This is all to prepare each student for their life after Lacon. Your child will continue to experience a broad and balanced curriculum with a wide variety of extra-curricular opportunities to participate in.

With your continuing support this term we can continue to improve your child's experiences and outcomes here at Lacon Childe. There have been a few changes to year 7 tutors this term if you have any questions please don't hesitate to contact us:
