

Dear Parent/Carer

12th July 2021

As we approach the last week of the school year, I hope your child enjoys their final week at primary school before transitioning to Lacon Childe School. Their first day will be **Friday 3rd September** when they will be one of only two year groups in school, which will enable them to get used to their new surroundings before all pupils return on Monday 6th September.

Plans are in place way for the Summer School and I look forward to seeing you all; our staff have lots of exciting activities planned for the children.

Children have been allocated the week you requested and days will run from 9am – 3pm.

Please drop off and collect from the main school entrance. There will be no need to wear school uniform for Summer School, but comfortable, sensible clothes should be worn as there will be physical activity each day.

Children will need packed lunches on Monday, Thursday and Friday. Lunches will be provided on Tuesday and Wednesday. If there are any dietary issues that you have not already informed me about, please let me know by email.

Activities will be off site on Tuesday and Wednesday when we will be taking the children to 'Top Adventures' to participate in outdoor and adventurous activities. Children will be transported to and from Lacon Childe School on school minibuses. No jeans are to be worn for these activity days. Children will need a change of clothes, footwear and a towel just in case they get wet when canoeing and paddle boarding. It would be sensible to wear clothes that they are happy to get wet and muddy.

Should you have any further questions or enquiries, please do not hesitate to contact me by email Kristien.wood@laconchildeschool.co.uk. If you are yet to book but still want to take up your place, please let me know as soon as possible.

The timetable for the week is below and outlines exactly what will be going on during the week and enables children to plan for the activities.
