

Lacon Childe SEND HUB

In the SEN Hub, our priority is to not allow SEND labels to smother the high expectations that drive teaching and learning. All children learn when they are excited, engaged and feel comfortable. This comes through the environment, relationships and quality first teaching.

By constantly asking ourselves what we can do to enable learning and how we make that happen as a staff and wider school, we foster an ethos of high expectations and achievement.

The Lacon Childe SEND Hub specialist provision can only be accessed via application to Shropshire Local Authority SEN Specialist Panel and does not form part of the wider Lacon Childe School Admissions Policy. Places in the Lacon Childe SEND Hub are allocated by the above panel. Please note that Lacon Childe School cannot accept direct applications and/or applications through standard admissions processes. If you would like a space for your child, you will need to contact Shropshire LA SEND team directly.
