Lacon Childe School

...more than just a school

Head of School Mrs. Rachel Croxton-Broome
Consultant Executive Headteacher Mrs. Ruth Allen

23 September 2024

Dear Parents/Carers,

TRIPLE SCIENCE

Your child will be studying for their separate Biology, Chemistry and Physics GCSEs during their time in Key Stage 4. This will involve the completion of six examinations in the Summer of 2026. To assist them in achieving their full potential, the Science Department will be providing each student with the opportunity to purchase a revision guide and an accompanying workbook for each of the disciplines. This will help your child with revision and assist in completing homework tasks. Copies are available to purchase from school at a combined discounted price of £20 for all 6 books (each book separately has an RRP of £5.99).

On-line Payments – This is now available to all parents/carers who have registered with Arbor. You will be able to make payments using the 'Shop' section in your Arbor account.

I cannot emphasise enough how important it will be for your child to have their own revision guide to help with exam preparation. We do have a few second-hand copies, if your child is eligible for pupil premium funding and you are unable to make a financial contribution at this time, please contact Mrs Broom on lynette.broom@laconchildeschool.co.uk. Information about pupil premium eligibility can be found on the Lacon Childe School website.

Yours sincerely,

Mrs Broom
Subject Leader – Science
