Dear Parents/Carers

Year 7 Design Technology London Trip

The Design Technology Department is proposing to run a residential trip to London in the summer term. We will be leaving Wednesday 25th June, staying in London for two nights and three days, returning Friday 27th June. This very exciting trip will give our pupils the opportunity to experience design (Iconic design in the design museum, costume design, architecture, and product development), food and culture as well as experiencing the independence of being away from home.

We are planning to stay just outside London near Heathrow airport. The pupils will experience the magnificent architecture and visit the following places of interest:

- The Design Museum
- The London eye
- See 'The Lion King' the popular west end show
- A day at Thorpe Park
- A visit to Lea valley to take part in raft design/building and other water activities (TBC)

The cost of the trip will be between £455 and £480 dependant on the numbers of students who would like to go. This includes travel by full specification coaches, Premier Inn hotel accomodation for two nights on a half board basis, all excursions and insurance. This is a fantastic opportunity to enrich your child's school experience.

If you would like to secure a place for your child on the trip please pay the deposit of £50 via the Trips section of Arbor by Wednesday 16th October.

If there are any aspects that you would like to discuss further, please do not hesitate to contact me at school.

Yours sincerely

Rhiannon Bird
