Consent for After-School Fixtures

Dear Parents/Carers,

We hope this letter finds you well. We are writing to inform you of a change in the way we collect parental consent for students participating in after-school fixtures.

From now on, if your child is invited to take part in an after-school fixture, you will need to provide your consent via Arbor instead of the previous method of using a sticker. This change will help us streamline our communication and ensure that all permissions are recorded efficiently. If you do not have access to Arbor, you will need to provide a signed letter of consent confirming your child's participation.

Students will be notified about fixture details, including dates and times, on team sheets displayed in the PE office. Please encourage your child to check these regularly.

Please note that:

If we do not receive consent via Arbor or in a signed letter, your child will not be able to take part in the fixture.

Please ensure that you check Arbor regularly for fixture invitations and submit your consent at least a day before the fixture.

If you need any assistance with Arbor or have any questions, please contact the school office.

Thank you for your support.

Kind regards

Z Traylor
